# Chapter President

Dear Members of the PMI North Saskatchewan Chapter,

As we close out the fourth quarter of 2024, I want to take a moment to reflect on the incredible progress and milestones we've achieved together this year. One of the highlights of this quarter was our Fall Professional Development Day (PDD), held on October 24th at the Prairieland Convention Center.

The Fall PDD was a tremendous success, bringing together professionals from across the region for a full day of learning, networking, and inspiration. A standout moment of the day was the keynote address by Jill Heinerth, an acclaimed explorer, filmmaker, and author. Her talk captivated the audience with stories of resilience, innovation, and teamwork drawn from her extraordinary experiences exploring the underwater world. Jill's insights left a lasting impression on everyone who attended, and we are deeply grateful to her for sharing her journey with us.

I want to extend my heartfelt thanks to everyone who attended and contributed to making the event memorable. Your participation and enthusiasm are what drive the success of our chapter events.

This December, we held our Annual General Meeting (AGM), where we reflected on the year and made important plans for the future. I want to take this opportunity to extend my deepest gratitude to our 2024 Board of Directors for their outstanding leadership and dedication throughout the year.

Congratulations to our newly elected 2025 Board of Directors! We are excited to see the energy and vision you will bring to your roles as we continue to grow and strengthen our chapter. I encourage all members to support the new board and actively engage in our initiatives in the year ahead.

Wishing you all a joyful and restful holiday season. Here's to an exciting and productive year ahead in 2025! I look forward to seeing you at our upcoming events and engaging with you in the months to come.

As I conclude my term as Chapter President, I want to extend my heartfelt thanks to each of you for your support of the PMI North Saskatchewan Chapter during my tenure. It has been an honor to serve this incredible community of professionals.

Warm regards,

Joel Goy, PMP, P.Eng
